

## Instructions for Completing Application for Service Availability

**General Instructions:** Careful attention to providing the required application information expedites the **FLORIDA GOVERNMENTAL UTILITY AUTHORITY (FGUA)** review process and enables it to respond within a **10-working day time frame**. Furthermore, the information provided by applicants is needed to calculate and notify them of service availability charges due and to prepare applicable agreements which are necessary prior to commencing construction. Ensure that legal documents provided as part of the application are duly recorded as necessary.
