**Miscellaneous Fee Adjustments (All FGUA Systems)**

**Q & A Fact Sheet**

**Q: Why is the FGUA updating its rates?**

A: The FGUA is updating its Miscellaneous Fee Schedule to coincide with updates to its Customer Service Policies and Procedures. These fees are for non-recurring one-off charges, such as turn on fees, disconnect fees, and fees associated with new development. These fees are meant to recover non-recurring costs not associated with the day-to-day operations of FGUA's utilities and are meant to mitigate the burden of FGUA water and sewer customer from covering these costs through general user rates.

**Q: What can I do to voice my inquiries and concerns on the proposed rate changes?**

A: Notices will be sent out alongside your November 2022 bills with detailed information for how to attend the special masters hearing being held for your specific service area. This information can also be found online at FGUA.com. This hearing will be continued to the FGUA Board of Directors December 15 meeting at 1:00 p.m. being held via Video Conference. The information for how to attend the Board meeting will also be provided via the November bill notices and will be available online at FGUA.com. All customer input for the initial hearing will be provided at that time. Customers unable to attend the meeting may provide their comments in writing to Matthew Rihs, Community Services Manager by mailing it to the FGUA Pasco Customer Service Office at 6915 Perrine Ranch Road, New Port Richey, FL 34655, or e-mailing them to [mrihs@govmserv.com](mailto:mrihs@govmserv.com).

Sincerely,

Matthew Rihs
