Water and Wastewater Rates - Lindrick System**

Existing and Proposed Water and Wastewater Rates

A. The following provisions shall apply to the service designations included herein as follows:

1. Residential Rates shall mean service to all individually metered residential customers including, but not limited to, private residences, apartment units, condominiums, and mobile homes.
2. General Service shall mean service for all purposes including all commercial service and master-metered commercial service, industrial service, and any other service not classified as Residential Service.
3. Unless specifically provided, all wastewater consumption charges will be based on metered water consumption at the premises exclusively of any separately metered water-only use as adjusted per FGUA policy.
