

FGUA Update Information

As businesses slowly open in Florida, the FGUA, concerned with the health and safety of our customers and employees, will remain closed to the general public until further notice. Our services are still available on our website www.FGUA.COM.

The Florida Governmental Utility Authority recommends that you utilize our many payment options. Therefore please:

- Pay online at www.FGUA.COM
- Pay over the phone @ 855-396-1256
- Sign up for autopay where payments are debited from your account on your due date
- Drop the payment in the Drop Box outside of the office.

Download our **new service packet** at www.fgua.com then call your local Customer Service Office to begin new service over the phone. You will still need to submit a completed application.

Remember the FGUA is here to serve you. Again, thank you for being a valued customer, be safe, and we will see you soon. Should you have any questions or need special assistance, please feel free to contact your local customer service office listed below.
