The Florida Governmental Utility Authority (FGUA) will partner with the Lehigh Acres Community Services and Lehigh Acres Senior Center for the 2nd Annual "Our Community, Our Seniors, Our Water" Rain Barrel Contest!

Promoting water conservation and recycling educates the community about sustainability and water conservation. Rain barrels help to reduce storm water run-off and the collected water can be harvested and used to water lawns and gardens while saving money!

This year's contest theme is :

***Water...make every drop count!***

\*all proceeds will go to Lehigh Acres Community Services to assist local seniors struggling with paying their water bills.

For more information and to sign up or to be a sponsor please contact Donna Lizotte at (239) 303-0459 or [donna.lizotte@fgua.com](mailto:donna.lizotte@fgua.com)
